On 08/10/2004, the above-named was placed on Supervised Release for a period of 4 years. Mr. Roper has complied with the rules and regulations of supervision with the exception of restitution. Although Mr. Roper has consistently submitted regular monthly restitution payments, his balance is substantial that even continuing supervision in this case would not be feasible. Mr. Roper has a restitution balance of \$1,230,610.00, having paid only \$1,015.00. With less than a year remaining on supervision, it is recommended that he be discharged from supervision.

Respectfully submitted,

/s/ Jose T. Pulido
